Nikunjo-2, Dhaka, • (+880) 1866448054 • jahiddewan555@gmail.com

Detail-oriented and motivated QA Engineer with 1+ years of experience ensuring quality across web and mobile applications. Skilled in manual and automated testing using Selenium WebDriver and Postman. Familiar with Agile workflows, bug tracking via Jira, and regression testing. Eager to grow in automation testing using modern tools. Strong communicator with a can-do spirit and passion for quality software delivery.

Experience

OCTOBER, 2024 – PRESENT

Software Quality Assurance & System Analyst | ConnectAuz PTY LTD | Banashree, Dhaka

Responsible for ensuring the quality and reliability of web and mobile applications through both manual and automated testing. Designed and executed test cases, identified and reported bugs using Jira, and automated key test scenarios with Selenium WebDriver. Worked closely with developers and analysts in Agile sprints to conduct regression, UI/UX, and mobile compatibility testing. Also contributed to system analysis and documentation to support overall product improvement.

Skills

• Selenium WebDriver • Postman API • Basic SQL & JavaScript • Test Case Design & Execution • Jira (Bug Tracking & Test Management) • Regression & Cross-browser Testing • Requirement & System Analysis • Agile/Scrum Collaboration.
